STATUS OF FOREIGN CURRENCY FUNDS

administered by the
Agency for International Development

SEPTEMBER 30, 2002

Office of Financial Management

TO THE READERS OF THIS REPORT

This report is intended to serve various users whose needs may differ considerably. In order to acquaint the readers with the report, we have prepared a brief description of its contents.

TOTAL UNEXPENDED BALANCE

Page 1 shows the unexpended balance of all foreign currencies (expressed in U.S. Dollar equivalents) for which A.I.D. is accountable, either owned by the United States or otherwise controlled through requirement of A.I.D. approval for disbursement.

It is important to note, however, that these balances are not necessarily free for programming purposes. The total amount available for additional obligation, by regional or world-wide total, may be found on the succeeding page of the report.

WORLD-WIDE SUMMARY BY REGION

On the second page of the report will be found a summary statement of foreign currency balances and current year activity (U.S. Dollar equivalents) of both U.S.-owned and cooperating country foreign currencies. This World-Wide summary gives in summary form the activity and status of foreign currency funds which are shown in greater detail on the country sheets and elsewhere in the report.

REGION AND COUNTRY SUMMARIES

Beginning with page 3 and ending with page 12 the reader will find a region and country activity pages. Regional sheets show, by country, a summary statement of balances and FY 2002 activity stated in U.S. Dollar equivalents of both U.S.-owned and cooperating country-owned foreign currencies. The regional country pages depict current year program activity in foreign currency units together with U.S. Dollar equivalents. These country pages recapitulate the various categories of foreign currency programs shown in the report on the pages 13 through 16 and pages 18 through 21.

STATUS OF PROGRAMS

Immediately after the country sheets, beginning with page 13 and ending with page

16 the reader will find reports reflecting the status of foreign currencies by programs. The accounts shown in these schedules are maintained in foreign currency units as required by USAIDs. Availabilities shown on these programs report represent unexpended balances as of June 30, 1961 plus all transfers to A.I.D. Reported obligations represent unliquidated obligations as of June 30, 1961 plus obligations incurred since the established of A.I.D.

CURRENT FISCAL YEAR ACTIVITY

Page 18 through 21 reflect the current fiscal year activity by account symbol. These schedules show U.S. Dollar equivalents as well as the foreign currency units.

Dollar equivalents shown in this publication are based on a "reporting rate" promulgated by the Secretary of Treasury, in accordance with Section 613, of P.L. 87-195 dated September 4, 1961, and are developed according to procedures outlined in Treasury Circular No. 930, to insure comparability and consistency with Treasury foreign currency publications.

Since the "reporting" rates reflected in this publication are not current rates of exchange, they should not be used to value cash transactions.

In preparing this report, we have tried to anticipate the needs of the various readers, keeping this in mind that if a report is to be of any value it must be timely as well as informative. In this connection, we have undertaken a review of the processes leading up to the issuance of the report, and will, from time to time, consult with various groups of readers for the purpose of ascertaining the essential data required by each of these groups.

Should the reader have any questions concerning any of the data contained in this report, please contact the Office of Financial Management.

FORWARD

This report contains status of foreign currencies owned by the United States in which A.I.D. has an interest and/or accountability. It also includes the status of the foreign currencies owned by Participating Governments, which were generated by predecessor agencies and/or A.I.D. dollar disbursements and may be withdrawn only by mutual agreement between the Participating Government and the United States. Below: is a definition of accounts included in this report.

ACTIVE ACCOUNTS

COUNTRY OWNED

Trust Fund - FT800, Advances for Technical Assistance

These are currencies deposited by participating countries to be held in trust and used only for specific purposes designated by the participating country. In the event of liquidation, unused balances in these accounts would be returned to the participating country.

Generation of Government Owned Local Currency - FT801, P.L.480,

Title III

U.S. government held currencies in trust for government of Haiti.

Trust Fund - FT860, Endowment for American University in Cairo

Authorized by P.L. 99-88 dated August 15, 1985.

FORWARD (Continued)

LIQUIDATED ACCOUNTS
